After forty years' experience in the preparation of more than one hundred thousand applications for patents in the United States and Foreign countries, the publishers of the Scientific American continue to act as solicitors for patents, caveats, trade-marks, copyrights, etc., for the United States, and to obtain patents in Canada, England, France, Germany, and all other countries. Their experience is unequalled, and their facilities are unsurpassed.  
Drawings and specifications prepared and filed in the Patent Office on short notice. Terms very reasonable. No charge for examination of models or drawings. Advice by mail free.  
Patents obtained through Munn & Co. are noted in the SCIENTIFIC AMERICAN, which has the largest circulation and is the most influential newspaper of its kind published in the world. The advantages of such a notice every patentee understands.  
This large and splendidly illustrated newspaper is published WEEKLY at \$3.00 a year, and is admitted to be the best paper devoted to science, mechanics, inventions, engineering works, and other departments of industrial progress, published in any country. It contains the names of all patentees and titles of every invention patented each week. Try it four months for one dollar. Sold by all newsdealers.  
If you have an invention to patent write to Munn & Co., publishers of Scientific American, 311 Broadway, New York.  
Handbook about patents mailed free.

**ASTHMA**  
AND  
**CATARRH**  
**REMEDY.**

**SOLD BY ALL DRUGGISTS.**  
Having struggled 20 years between life  
and death with ASTHMA or PHTHISIS,  
treated by eminent physicians, and receiv-  
ing no benefit, I was compelled during the  
last 5 years of my illness to sit on my chair  
day and night, gasping for breath. My suf-  
ferings were beyond description. In despair  
I experimented on myself by compounding  
roots and inhaling the medicine thus obtain-  
ed. I fortunately discovered this WONDER-  
FUL CURE FOR ASTHMA AND CATARRH,  
warranted to relieve the most stub-  
born case of ASTHMA IN FIVE MINUTES,  
so that the patient can lie down to rest and  
sleep comfortably. Please read the follow-  
ing condensed extracts from unsolicited tes-  
timonials, all of recent date:  
"I find the Remedy all and even more than  
represented. I receive instantaneous relief."  
E. M. Carson, A. M., Warren, Kan., writes:  
"Was treated by eminent physicians of this  
country and Germany; tried the climate of  
different States—nothing afforded relief like  
your preparation."  
L. B. Phelps, P. M., Griggs, Ohio, writes:  
"Suffered with Asthma 40 years. Your medi-  
cine in 3 minutes does more for me than the  
most eminent physician did for me in three  
years."  
H. C. Plimpton, Joliet, Ill., writes: "Send  
Catarrh Remedy at once. Cannot get along  
without it. I find it to be the most valuable  
medicine I have ever tried."  
We have many other hearty testimonials  
of cure or relief, and in order that all suffer-  
ers from Asthma, Catarrh, Hay Fever, and  
kindred diseases may have an opportunity  
of testing the value of the Remedy we will  
send to any address TRIAL PACKAGE  
FREE OF CHARGE. If your druggist fails to  
keep it do not permit him to sell you some  
worthless imitation by his representing it to  
be just as good, but send directly to us.  
Write your name and address plainly.

**BREATHITT COUNTY.**  
[Special Correspondence.]  
JACKSON, KY., Dec. 5.—S. H. Ed-  
wards, of Mt. Sterling, representing the  
Stanton Life Association of Virginia  
and the Hoffman Agency of Mt. Sterling,  
was in town a few days last week.

Judge W. H. Blanton has just returned  
from a business trip to Campton.  
Mrs. J. C. Patrick, who has been very  
ill for several days, is convalescing.  
Mr. Brazleton, representing a hardware  
house of Knoxville, Tennessee, was in  
town last Friday.  
Mr. Clark, the lightning rod man of  
Hazel Green, is in town.

J. W. Taulbee, County Superintendent,  
was at his office last Saturday receiving  
school reports. Mr. Taulbee has made a  
vigilant and efficient officer, and is well  
pleased with the result of the year's work  
which he has inaugurated.

Sherman Cope, (bear eyes) of Upper  
Frozen, and A. F. Lyon of Frozen Creek,  
are visiting friends and relatives in Lee  
and Scott counties, Virginia.  
Capt. A. L. Hagins, principal of the  
consolidated schools at Crockettville, is  
visiting his parents, across the panhandle,  
having suspended his school until  
after the holidays.

The officers and the teachers of the  
Sunday school decided at their last meet-  
ing to have a Christmas tree at the Pres-  
byterian church on Christmas Eve. Let  
all who are in quest of first-rate entertain-  
ment come and see Jackson in her holi-  
day attire, and witness Jackson's ability  
to entertain in first-class style.

We noticed in last week's issue of the  
Three Forks Enterprise a very new and  
interesting letter from Dr. W. T. Wilson,  
of Hazard. The Doctor is a fluent writ-  
er, and would confer a favor on a large  
circle of friends and acquaintances by  
giving an occasional letter to THE HER-  
ALD. Let us hear from you, Doctor.

Rev. Howard Fallen preached at the  
Presbyterian church at this place Sunday  
and Sunday night.  
Prof. Dickey has just returned from  
Hazel Green.  
The timers have completed their work  
on the court house.  
Some of the young folks of our town  
had quite an enjoyable social and candy  
party at J. M. Snowden's Saturday night.  
The social under the management of  
our urbane and irrepressible county at-  
torney, D. B. Redwine, was extremely  
pleasant, while the candy managed by  
Miss Julia McIntosh was indescribably  
nice. We were there under somewhat  
embarrassing circumstance, but we did  
full justice to the candy, nevertheless,  
and long for another like that occasion,  
with some exceptions.

**A Valuable Medical Treatise**  
The edition for 1888 of the sterling  
Medical Annual, known as Hostetter's  
Almanac, is now ready, and may be ob-  
tained, free of cost, of druggists and  
general country dealers in all parts of  
the United States, Mexico, and indeed  
in every civilized portion of the Western  
Hemisphere. This Almanac has been  
issued regularly at the commencement  
of every year for over one-fifth of a cen-  
tury. It combines, with the soundest  
practical advice for the preservation and  
restoration of health, a large amount of  
interesting and amusing light reading,  
and the calendar, astronomical circula-  
tions, chronological items, &c., are pre-  
pared with great care, and will be found  
entirely accurate. The issue of Hostet-  
ter's Almanac for 1888 will probably be  
the largest edition of a medical work ever  
published in any country. The proprie-  
tors, Messrs. Hostetter & Co., Pitts-  
burg Pa., on receipt of a two cent stamp,  
will forward a copy by mail to any one  
person who cannot procure one in his  
neighborhood.

**MORGAN COUNTY.**  
[Special Correspondence.]  
EZEL, KY., Dec. 5.—The recent rains  
have put an end to water hauling at this  
place.  
Mr. Cravens, the undertaker from  
Hazel Green, was in town last week.  
The dear little Scorchers failed to come  
in last week. "Spect it's scorched away  
to nothing!"  
Our young folks called a social at  
James Nickell's Saturday night. No  
doubt they said lots of love words.  
M. F. Dennis is making arrangements  
to build a dwelling at this place. Girls  
don't bother Millard with your smiles  
and love letters 'til he gets his house  
built.

W. B. Lykins, who has been sick for  
some time, is out again.  
The ladies of this vicinity are making  
arrangements to give a splendid ice cream  
supper at this place Christmas Eve, the  
proceeds to be used in buying a stove,  
&c., for the new church at this place.  
Everybody invited, and a good time  
expected.

Girls, if you have any desire or choice  
in marrying a young man, we would  
advise you to not get within sparking  
distance of the widowers now-a-days.  
If you do, it's good-by gal.

Our school, taught by Mrs. Mary Nick-  
ell, will close Friday, 19th inst. She has  
given entire satisfaction. There never  
has been the least trouble in any of her  
schools at this place.

Charles Cecil, one of the jury of the "Big  
Court" at Covington, passed through  
here Sunday on his way to that place.  
Steve Pieratt, while playing base ball  
last Saturday, caught a ball that broke  
one of his fingers backwards at the joint,  
the bone protruding. Dr. Lockhart  
being present, set it immediately, and it  
is now doing well.

Rev. D. G. Combs is home again. He  
has just finished his year's work. His  
report for the year is 422 sermons, 569  
additions, organized twenty-three prayer  
meetings and nine Sunday schools. This  
is a little more than double the work of  
any evangelist ever sent out by the  
Christian church in this State.

**Enjoy Life.**  
What a truly beautiful world we live  
in! Nature gives us grandeur of moun-  
tains, glens and oceans, and thousands  
of means of enjoyment. We can desire  
no better when in perfect health; but  
how often do the majority of people feel  
like giving it up disheartened, discour-  
aged and worn out with disease, when  
there is no occasion for this feeling, as  
every sufferer can easily obtain satisfac-  
tory proof, that Green's August Flower,  
will make them free from disease, as  
when born. Dyspepsia and Liver Com-  
plaint are the direct causes of seventy-  
five per cent of such maladies as Bilious-  
ness, Indigestion, Sick Headache, Costi-  
veness, Nervous Prostration, Dizziness  
of the Head, Palpitation of the Heart,  
and other distressing symptoms. Three  
doses of August Flower will prove its  
wonderful effect. Sample bottles, 10  
cents. Try it.

**LETCHER COUNTY.**  
[Special Correspondence.]

WHITESBURG, KY., November 14.—A  
very cold snap recently, and creeks frozen  
up.

The two members-elect, of the Baptist  
Church, were baptised on Cowan Creek  
last Sunday.

Hiram Hogg, Esq., of Booneville, is in  
town this week.

P. W. Hall, of Perry county, was at-  
tending Circuit Court here this week.  
Jas. M. Hill, of Wise county, Va., is  
here this week repairing watches, jewelry,  
&c.

Prof. John L. Thoms, of Pinetop,  
Knott county, was in town this week.  
He reports that the prospect for a good  
school at Carr Academy is very encourag-  
ing. The second term begins Jan. 2nd,  
1888.

S. B. Dishman, attorney at law, Bar-  
bourville, has been in town attending to  
legal business for several days.

Circuit Court convened Monday with  
Judge Lilly presiding. Commonwealth's  
attorney, Marks, was promptly on hand,  
and is prosecuting law-breakers with a  
vim that reflects credit on himself and  
his county.

A grand jury was impaneled with El-  
der Wm. R. Craft foreman.

Squire Jenkins and Rev. Elijah W.  
Baker are among the older members of  
the petit jurors, and Profs. J. J. Lewis  
and W. R. Adams are among the young-  
er members.

The usual "quota" of attorneys are  
in attendance at the present term of the  
court. Several parties have been tried  
for pistols, gaming and vote-selling, and  
many of them have been convicted.

Prof. Noah Eutuler, of Tennessee,  
passed through here last week en route  
to Maces Creek, Perry county, where he  
is to drill a large class in vocal music.

The trial of Samuel and Elijah Wright,  
charged with murder, will begin to-mor-  
row morning. A jury has been ordered  
from Perry county.

Samuel Neece has been given one year  
in the penitentiary for obtaining "money  
and property under false pretense"—two  
pounds of tobacco.

Sick headache is the bane of many  
lives. To cure and prevent this annoy-  
ing complaint use Dr. J. H. McLean's  
Little Liver and Kidney Pills. They  
are agreeable to take and gentle in their  
action. 25 cents a vial. Sold by G. B.  
Swango, Hazel Green.

Versailles, Ky., is having a religious  
awakening. A two weeks' meeting of  
the Christian Church resulted in forty-  
five additions; two weeks of Baptist  
ministration secured twenty-five ad-  
ditions to the church, and now the Pres-  
byterian Church is holding a protracted  
meeting, in which much interest is man-  
ifested by the community. Frankfort  
Capital.

Dr. J. H. McLean's Strengthening  
Cordial and Blood Purifier, by its vital-  
izing properties, will brighten pale cheeks,  
and transform a pale, haggard, dispirited  
woman into one of sparkling health and  
beauty. \$1.00 per bottle. Sold by G.  
B. Swango, Hazel Green.

**TAZEWELL COUNTY, VA.**  
[Special Correspondence.]

CEDAR BLUFF, VA., Nov. 24.—Mrs.  
Lipford, nee Miss Helen Leslie, of Pike-  
ville, Ky., who for the past eight weeks has  
been suffering with typhoid and pneu-  
monia fevers, died last night at 6 o'clock.  
Though she had not been among us long,  
she had formed many lasting acquaint-  
ances, and all who knew her loved her.  
She had not spoken but the one word  
"Mother" for five days. To the bereav-  
ed husband and sorrowing mother, brother  
and sisters in a distant land, we tend-  
er our sincerest sympathies.

Miss Ella McNeil, who has been visit-  
ing at this place, left for Liberty Hill  
Sunday accompanied by J. B. Hurt.  
She will leave there in a few days for  
her former home in Bristol, Tennessee.

Last Sunday the Cedar Bluff Sunday  
School Superintendent appointed a com-  
mittee of four, viz: Misses Julia Cecil,  
Lizzie Repass, Maggie Wingo and L. K.  
Nixon to collect money for our antici-  
pated Xmas tree. The committee has  
only canvassed three days and have nearly  
fifteen dollars. What will they have  
against Xmas?

Mr. and Mrs. T. M. Cubine, of this  
place, were summoned to the bedside of  
a dying father yesterday. Mrs. Cubine's  
father, Wm. Jones, of Liberty Hill, has  
paralysis.

Will and George Steele, of Pikeville,  
Ky., are visiting their brother, Pat Steele,  
at this place.

Thos. Cecil, the step father of Mrs.  
Amos Lipford, deceased, is up from Pike-  
ville. He and step son, Farmer Leslie,  
paid Jeffersonville a visit yesterday.

E. H. Scott was registered at Surface  
hotel, Jeffersonville, last Monday.

Thanksgiving day! Rev. P. J. Lock-  
hart preached at the Hall today a very  
interesting sermon. He also preached  
there last Sunday.

Rev. Mr. Doggett, of the Presbyterian  
Church, will preach here next Sunday  
night.

The Philomathean Literary Society  
and the railroad are still flourishing.

Far better than the harsh treatment  
of medicines which horribly gripe the  
patient and destroy the coating of the  
stomach.—Dr. J. H. McLean's Chills  
and Fever cure by mild yet effective ac-  
tion will cure. Sold at 50 cents a bottle.  
Sold by G. B. Swango, Hazel Green.

**In regard to Schools.**

The act of the last General Assembly  
providing for the monthly payment of  
common school teachers illustrates how  
very difficult it is to enact laws that will  
give general satisfaction to the people.  
If there was any one act of the last ses-  
sion which seemed more popular than all  
others, it was this law. The Three Forks  
Enterprise, however, doubtless echoing  
the sentiment of the people in the moun-  
tain districts, says:

"It may be an easy thing for the  
wealthy counties of the State to borrow  
money and pay in this way, but our  
mountain counties can't afford it. We  
contend, further, that it is not right for  
the counties to pay the salaries of the  
County Superintendents. The school  
fund is set apart for school purposes, and  
ought to pay all the expenses of the  
schools. If the 22c on the \$100 worth  
of taxable property devoted to school  
purposes is not large enough, let the Leg-  
islature increase it until it will create a  
fund adequate for the payment of the  
teachers, County Superintendents and all  
other expenses."

The question involved in this protest  
will not doubt be fully considered by the  
next General Assembly. If it is possible  
to amend the law, so as to secure to  
teachers the advantages of the present  
statute, and relieve the counties of a  
burden, the established policy of the  
Legislature, in fostering and improving  
our common school system, will certainly  
provide a remedy for any real grievance.  
—Frankfort Capital.

H. H. Honore and Oliver Jackson, of  
Chicago, Ben Crawford, of Louisville,  
and B. B. Groom, of Texas, were regis-  
tered at the Combs House in Campton  
last Tuesday night. They were en route  
to Breathitt county to investigate the  
timber and mineral resources of that sec-  
tion. Mr. Honore, who seems to be well  
opinioned on general affairs, expressed his  
opinions freely and predicted a bright  
future for Eastern Kentucky. Mr. Groom  
is at the head of the largest cattle com-  
pany in the world.

During the winter the blood gets thick  
and sluggish; now is the time to purify  
it, to build up your system and fit your-  
self for hard work, by using Dr. J. H.  
McLean's Strengthening Cordial and  
Blood Purifier. \$1.00 per bottle. Sold  
by G. B. Swango, Hazel Green.

Magistrates can get blank Warrants,  
Executions, and Replevin Bonds at this  
office at 25 cents per quire. Sent by mail  
on receipt of price.

Pains in the small of the back indicate  
a diseased condition of the Liver or Kid-  
neys, which may be easily removed by  
the use of Dr. J. H. McLean's Liver and  
Kidney Balm. \$1.00 per bottle. Sold  
by G. B. Swango, Hazel Green.
